CORRECTION OF DIRECTOR'S MINUTES AND REFUNDS *gB*

In the Director's Minutes of August 7, 1978, MLA 36053, Oil, Gas and Hydrocarbon lease was approved for a total acreage of 800.00 acres. The true acreage on this lease is 775.00 acres. The minutes should be corrected to reflect the true acreage and a refund of \$25.00 advance rental to Anschutz Corporation for overpayment on the application.

In the Director's minutes of September 25, 1978, MLA 34901, Oil, Gas and Hydrocarbon lease application was approved for a total acreage of 1178.03 acres. The true acreage on this lease is 1179.03 acres. The minutes should be corrected to reflect the refund of \$600.00 advance rentals to Filon Exploration Corporation rather than \$601.00.

Upon recommendation of Mr. Blake, the Director approved these corrections and refunds.

ROYALTY REFUND *gB*

ML 27248 Metalliferous Minerals

Union Carbide Corporation erroneously submitted royalty at a rate of 16.5% for January uranium production on the above-numbered lease. The royalty should have been paid at a rate of 12.5%; consequently, \$3,007.48 was received for uranium instead of \$2,278.40 which was the correct amount. \$322.70 for vanadium production was due and received for that same period.

Upon recommendation of Mr. Blake, the Director approved the refund of \$729.08 for overpayment of uranium royalty to Union Carbide Corporation.
